

Wisconsin Dairy Plant Directory 2016 - 2017

**Wisconsin Department of Agriculture,
Trade and Consumer Protection**

Division of Food and Recreational Safety

How To Use This Dairy Plant Directory

The 2016-2017 Wisconsin Dairy Plant Directory is designed to enable the user to locate and identify the business office and plant location of every licensed dairy plant and bulk milk tanker (BMT) wash facility in Wisconsin.

In the first section, each plant is listed by county and is identified by dairy plant number, trade name, plant address, telephone number, licensee and mailing address of the home office and operations.

The second section is a numerical listing and the third section is an alphabetical listing of the dairy plants. This is useful when tracing the origin of a cheese or dairy product.

There are 410 dairy plants operating in the State of Wisconsin and they are designated with the prefix 55.

There are 65 bulk milk tanker wash facilities and they are designated with the prefix 54.

To order additional copies of this directory please send a check for \$2.50 per copy, along with your name and address to: **Wisconsin Department of Agriculture, Trade and Consumer Protection, Drawer 93586, Milwaukee, WI 53293-0586.**

The directory can also be found on our web site <http://datcp.wisconsin.gov>

You can contact the Division of Food Safety at (608) 224-4683.
